

LAASYA LAGDEV

Architectural Designer | RIBA/ARB Part 1 Equivalent | Interior Designer

London, UK | +44 7352684134 | [Portfolio](#) | [LinkedIn](#) | [Email](#)

PROFESSIONAL SUMMARY:

Architectural Designer and Interior Architect with over two years of professional experience across residential, commercial, workplace and landscape projects in India and Dubai. Recently completed an MA in Interior Architecture at the University of East London, supported by a Bachelor of Architecture and professional registration with the Council of Architecture, India. Experienced in taking projects from concept and contextual analysis through spatial planning, design development, material and FF&E specification, technical documentation, visualisation and execution. Brings an integrated understanding of architecture and interiors, with particular interests in adaptive reuse, existing buildings, materiality and context-responsive design.

KEY SKILLS:

Design : Architectural design; interior architecture; concept development; contextual design; adaptive reuse and retrofit; space planning and circulation; residential, commercial and workplace design; material and finish specification; FF&E; lighting design; client presentations.

Technical & Delivery : Plans, sections and elevations; construction documentation; architectural detailing; shop drawings; BOQ preparation; MEP and consultant coordination; supplier and contractor coordination; project coordination.

Software : Revit/BIM, AutoCAD, SketchUp, Adobe Photoshop, Adobe InDesign, Enscape, Twinmotion, Lumion, D5 Render, Microsoft Office.

DESIGN EXPERIENCE:

Interior Designer | Jabal Sannine Technical Services, Dubai

Apr 2025 – Aug 2025

- Developed 10+ residential interior and landscape projects from initial concept and spatial planning through design development, technical documentation and execution.
- Produced space plans, technical and shop drawings, material selections, BOQs and 3D visualisations to communicate design intent and support project delivery.
- Developed material and finish selections in response to project aesthetics, functionality, budget and client requirements.
- Worked directly with clients to translate project briefs into considered spatial and material solutions.
- Produced architectural visualisations and presentation material to communicate design concepts, spatial arrangements and materiality.

Student Ambassador | University of East London, London

Nov2025 – Present

- Represent UEL at UCAS and HE fairs in Manchester, Canterbury and colleges across London, inspiring prospective students and supporting their education and career choices.
- Support university Open Days, welcoming new students and assisting with events, outreach and various university activities. Developed strong communication, public speaking, teamwork and stakeholder engagement skills.

Architectural & Interior Designer | Gyankamal Home Kraft, Hyderabad

Sep 2023 - Oct 2024

- Contributed to 6+ residential and commercial architecture and interior projects from concept through design development and construction documentation.

- Developed space-planning solutions considering circulation, functionality, architectural constraints and user requirements.
- Produced architectural and interior plans, elevations, technical drawings and construction documentation.
- Assisted with material and finish development across architecture and interior packages.
- Coordinated design information with consultants, suppliers and contractors to maintain consistency between design intent and project delivery.
- Supported client presentations and project development through drawings, visualisations and material proposals.

Freelance Architectural & Interior Designer

Aug 2022 - Sep 2024

- Delivered residential, commercial and retail projects for clients across India and international markets.
- Prepared concept presentations, technical drawings, material specifications and execution packages.
- Managed client relationships throughout the design process, ensuring projects met design, budget and timeline expectations.
- Successfully handled multiple projects simultaneously while maintaining quality standards.

Architectural Intern | Madan Architects, Hyderabad

Aug 2022 - Jan 2023

- Supported high-rise residential and commercial projects through schematic design and design development.
- Produced architectural plans, elevations and technical drawings.
- Assisted with MEP coordination and construction documentation.
- Contributed to master planning and building-scale design development, strengthening understanding of the relationship between architecture, structure, services and interior space.

SELECTED PROJECTS :

Luxury Residential Villa - Dubai

Architectural and interior concept development, spatial planning, material selection, technical/shop drawings, BOQ and 3D visualisation.

Commercial Office Interior - Hyderabad

Interior architecture, workplace planning, circulation, design development and technical documentation.

Broadgate Circle Competition - London

Award-winning public-realm proposal exploring placemaking, spatial experience, sustainability and user interaction.

EDUCATION :

MA Interior Architecture

University of East London | 2025–2026

Bachelor of Architecture (B.Arch) – RIBA/ARB Part 1 Equivalent

CSI Institute of Architecture and Planning, Hyderabad | 2018-2023

AWARDS AND ACHIEVEMENTS

3rd Place — Broadgate Circle Design Competition

University of East London | 2026

CERTIFICATIONS AND PROFESSIONAL REGISTRATION

Council of Architecture, India — Registered Professional

Registration No. CA/2024/170414

Revit and BIM - Completion Certificate

Lomos | Completed October 2023

Estimation and BOQ - Completion Certificate

Delopus | Completed May 2024
